# TENNESSEE STATE PARKS PICKWICK LANDING STATE PARK

### Pickwick Landing State Park

is located just south of Pickwick Dam, 12 miles south of Savannah, TN., in Hardin County. The lake and river offer excellent fishing, boating, swimming and a marina. Accommodations on the park include a modern Inn and Restaurant, cabins and camping. There is also a beautiful and challenging golf course. The park contains 1,400 acres of forested hills and hollows. There is a 2.8 mile trail to explore and enjoy the wildlife and plant life around the lake. Picnicking, swimming and play fields are also available.

### Historical significance

Pickwick Landing was a riverboat stop dating from the 1840's. In the 1930's during the depression, the site was chosen for one of the Tennessee Valley Authority's dams on the Tennessee River. What comprises the park today was once the living area for the TVA construction crews and their families. The TVA Village, better known as Pickwick Village was located where the Post Office, Park Office and day use area are now located. A Boy Scout Lodge was located where the old inn is located. The State of Tennessee purchased all 681 acres of Pickwick from TVA in 1969. Since that time additional land has been bought to enlarge the park.
